Profile

Certified nursing assistant with six years of experience assisting patients with activities of daily living, answering call lights, performing safe transfers and using a variety of tools to measure patient progress. Compassionate caregiver with excellent patient education skills.

Professional Experience

Certified Nursing Assistant, Community Medical Center, Scranton, PA

June 2017 - Present

- Provide personal care to patients in the busy medical/surgical unit of a 297-bed community hospital
- Reduce infection rates by taking universal precautions when exposed to blood and other body fluids
- Assist patients with range-of-motion exercises to improve their flexibility and aid in healing after orthopedic surgery
- Provide mouth care to patients on life support to keep the lips, teeth and oral cavity in good condition

Certified Nursing Assistant, Geisinger Medical Center, Wilkes-Barre, PA

June 2013 - June 2017

- Assisted patients with toileting, bathing, eating and other activities
- Dressed wounds caused by radiation treatment to promote healing and reduce the risk of infection
- Assisted physicians during bone-marrow biopsies by draping patients and setting up medical equipment
- Used a gait belt to assist patients with ambulation

Education

Nurse Aide Training Program

Lackawanna College Scranton, PA, May 2013

Key Skills

- Excellent communication skills
- Measurement of blood pressure, pulse, oxygen saturation level and temperature
- Putting patients at ease and defusing tense situations
- Use of personal protective equipment to prevent the transmission of communicable diseases
