Profile

Certified nursing assistant with a CNA certificate from Central New Mexico Community College and experience working as a nurse's aide in an academic medical center. Compassionate medical professional with a strong desire to work with high-acuity patients. Experience with electronic medical record systems and excellent attention to detail.

Key Skills

- Maintaining a safe, hygienic environment for patients
- Monitoring patient intake and output
- Performing patient lifts and transfers in a safe manner
- Responding quickly to requests from patients and nursing staff
- Taking accurate vital signs, including blood pressure, temperature and oxygen saturation level

Education

Certified Nursing Assistant Certificate

Central New Mexico Community College Albuquerque, NM, January 2020 - June 2020

Completed nursing assistant placement at University of New Mexico Health System

- Shadowed certified nursing assistants as they completed their duties
- Took patient vital signs and recorded them in the EMR system
- Assisted CNAs with patient lifts and transfers

Professional Experience

Nurse's Aide, University of New Mexico Health System, Albuquerque, NM

July 2019 - Present

- Assist patients with eating, dressing, bathing and other activities of daily living
- Measure fluid intake/output and record each measurement in the patient's electronic medical record; alert the patient's assigned nurse if fluid output is not equal to intake
- Maintain a clean, safe environment by changing linens, emptying bedside commodes and ensuring the proper disposal of gauze and other medical supplies

Cashier, Albertsons, Albuquerque NM

February 2016 - June 2019

- Scanned grocery items with a high level of accuracy
- Collected cash payments and assisted customers with the use of debit and credit cards
- Trained new cashiers to process transactions and follow all store policies related to refunds and exchanges
